

Competition Approval and IPC Swimming Course Fees in 2010

Based on a recent decision of IPC Swimming, the fees for services regarding competition approvals, appointment of IPC Swimming Officials, International Courses and related services will be amended in 2010.

Please find the new fees outlined below:

Competition Approval fee: 50 Euros

Includes: publishing of competition and competition details in the official calendar on the IPC Swimming website, recognition of results for IPC Swimming record and ranking lists for licensed athletes, certification and publishing of records.

Competition Approval fee for competitions with IPC Swimming Officials: 200 Euros

Includes: publishing of competition and competition details in the official Calendar on the IPC Swimming website, recognition of results for IPC Swimming record and ranking lists for licensed athletes, certification and publishing of records, appointment of IPC Technical Officials and/or Classifiers for the competition, advertising of international classification opportunities on the IPC Swimming website.

IPC Swimming Course fee 100 Euros

Includes: granting of approval to host a Technical Officials or Classifiers Course in connection with an approved competition, advertising of course on the IPC Swimming website, management of participants' applications, approval and certification of course participants.

*Please note that the Local Organizing Committee has to cover incidental costs for appointed officials, TBD by IPC Swimming.

The fees listed above apply to all competitions taking place from 1 January 2010.
